Cholesteril New Generation is een unieke synergetische combinatie van hoogwaardige amla en 3 bijzondere plantenextracten waaronder een Full-Spectrumextract van gesteelde lakzwam (reishi).

### Description

Cholesteril New Generation is a unique synergistic combination of high-quality amla and three exceptional plant extracts including a Full-Spectrum extract of Lingzhi mushroom (reishi). A Full-Spectrum extract contains the bioactive substances from the complete life cycle of the mushroom. This varied mixture provides full support.

°Lingzhi mushroom (reishi) contributes to the maintenance of normal cholesterol levels in the blood.

### Daily intake

1 to 2 capsules daily.

Do not exceed the daily recommended dose. Cholesteril New Generation is a nutritional supplement and should not replace a varied, balanced diet and a healthy lifestyle. Store in a cool and dry place. Keep out of the reach of children. Do not use during pregnancy.

### Composition

#### Ingredients per capsule

|                                                                                                  |        |
|--------------------------------------------------------------------------------------------------|--------|
| Amla (Phyllanthus emblica L. ) fruit extract                                                     | 500 mg |
| standardized at ≥35% polyphenols, ≥7% triterpenoids, ≥5% alpha-linolenic acid (ALA)              |        |
| Lingzhi mushroom (Ganoderma lucidum) Full-Spectrum extract                                       | 75 mg  |
| standardized to ≥50% total polysaccharides and ≥15% 1.3-1.6 beta glucan                          |        |
| Artichoke (Cynara scolymus) leaf extract                                                         | 75 mg  |
| standardized to ≥2% lutein-7-glucoside and derivatives and ≥10% chlorogenic acid and derivatives |        |
| Olive extract (Olea europaea)                                                                    | 25 mg  |
| standardized at ≥20% hydroxytyrosol                                                              |        |

Ingredients: Amla, capsule (coating (hypromellose) and carrot concentrate (Daucus carota)), lingzhi mushroom, artichoke, bulking agent (microcrystalline cellulose), anti-caking agents (silicon dioxide and magnesium salts of fatty acids), olive extract.
